Committee on the Rights of Persons with Disabilities

List of issues prior to the submission of the combined second and third periodic reports of Czechia**

A. Purpose and general obligations (arts. 1–4)

1. Please provide information on measures taken to fully harmonize concepts of disability in national legislative instruments and public policies with the Convention and the Committee's general comment No. 6 (2018) on equality and non-discrimination, particularly by replacing the medical or charity model of disability with the social and human rights model of disability.
2. Please outline measures taken to promote the involvement of persons with disabilities, including persons with intellectual or psychosocial disabilities, and their representative organizations in the formulation, implementation and monitoring of legislation, policies and other measures relevant to the Convention.
3. Please provide information on the progress made to ratify the Optional Protocol, including information on when it will be ratified.

B. Specific rights (arts. 5–30)

Equality and non-discrimination (art. 5)

4. Please provide information on any steps taken to amend the anti-discrimination act (Act No. 198/2009 Coll.) to extend the prohibition of denial of reasonable accommodation to other areas besides employment and labour relations, and to address intersectional and multiple discrimination affecting persons with disabilities.

Women with disabilities (art. 6)

5. Please provide information on measures taken to:
 - (a) Ensure that all policies, programmes and measures to protect the rights of women with disabilities are in line with the Convention and the Committee's general comment No. 3 (2016) on women and girls with disabilities;
 - (b) Eliminate multiple and intersectional discrimination of women and girls with disabilities, with details on the data available thereon, in line with targets 5.1, 5.2 and 5.5 of the Sustainable Development Goals.

* Reissued for technical reasons on 2 May 2019.

** Adopted by the Committee at its twenty-first session (11 March–5 April 2019).

Children with disabilities (art. 7)

6. Please provide information on measures taken to:

(a) Fully implement community-based care for children with disabilities, along with support for their families, and to regularly monitor the situation in that regard;

(b) Ensure the full and effective participation of children with disabilities and their representative organizations across the State party in the planning, implementation and monitoring of legislation that affects them.

Awareness-raising (art. 8)

7. Please provide information on:

(a) The entity responsible for promoting and raising public awareness of the rights of persons with disabilities, and on the programmes and activities carried out. Please include information on the target audience, the impact of the activities, how the outcomes of the activities have been monitored and the extent to which persons with disabilities and their representative organizations have been involved;

(b) The steps taken to combat stigmatization, stereotypes, prejudices, harmful practices, deep-rooted cultural beliefs, negative attitudes, bullying, including cyberbullying, hate crimes and discriminatory language against persons with disabilities, including on the basis of age and sex, in both the public and private sectors;

(c) The measures taken to raise awareness in the public sector, including among all public administration employees, and among all children from an early age, in order to promote perceptions of persons with disabilities that are fully respectful of their human rights and dignity, in line with the Convention.

Accessibility (art. 9)

8. Please provide information on:

(a) Progress made through implementation of the building act (Act No. 183/2006 Coll.) to enhance the accessibility of the built environment, including all facilities and services open to or provided for the public, for all persons with disabilities, including persons who are deaf or hard of hearing, persons who are blind or visually impaired and persons with intellectual disabilities;

(b) Accessibility standards and training, including the provision of live assistance and intermediaries, guides, readers, qualified sign language interpreters, signage in Braille, augmentative and alternative communication and other accessible means, modes and formats of communication, such as pictograms and captioning;

(c) Bodies mandated to assess, provide training on, and monitor and evaluate compliance with the above-mentioned standards. Please include details of the sanctions for non-compliance, data on complaints received under redress mechanisms and information on consultations held with organizations representing persons with disabilities;

(d) Progress made on the accessibility of transport open or provided to the public for all persons with disabilities, in both urban and rural areas;

(e) The transposition into national legislation and implementation of Directive (EU) 2016/2102 of the European Parliament and of the Council of 26 October 2016 on the accessibility of the websites and mobile applications of public sector bodies;
